C. VISA REFUSAL

If a student visa application or visa renewal is refused by the Australian Government, a refund of course fees, less application/enrolment fee, will be made and visa refusal refunds are calculated in accordance with the legislative instrument under subsection 47E (4).

The calculation under subsection 47E (4) is as follows:

The amount of unspent pre-paid fees that the institute must refund the student for the purpose of

Subsection 47E (2) of the Act is the total amount of the pre-paid fees the provider received for the course in respect of the student less the following amount the lesser of:

- a. 5% of the total amount of pre-paid fees that the provider received in respect of the student for the course before the default day; or
- b. the sum of \$500.

Students must provide the institute with substantiated evidence of their student visa refusal.

If an international student currently in Australia has their student visa application refused by Department of Home Affairs (DHA) after the commencement of their studies; refund will be calculated as follows:

The refund amount = weekly tuition fee x the number of weeks in the default period

- a. The weekly tuition fee = total tuition fee for the course / number of calendar days in the course x seven (7). This amount is rounded up to the nearest whole dollar.
- b. The number of weeks in the default period = number of calendar days from the default day to the end of the period to which the payment relates / seven (7).
