## 1. Purpose

This policy outlines fee payment and refund procedures for students in accordance with Standard 3 of the National Code 2018, clause 5.3 of the Standards for RTOs 2015, and the ESOS Act. It addresses refunds of both tuition and non-tuition fees in cases of student default and provider default. The policy details the amounts refundable to overseas students, including fees collected by education agents on behalf of ASIA. This documentation ensures fair and equitable treatment of all students applying for refunds.

## 2. Scope

This Fee Payment & Refund Policy applies to all current and formally enrolled students at Astral Institute of Australia. Applicants should familiarize themselves with this policy, as refunds are available only under the specific circumstances outlined below.

## 3. Responsibility

The Chief Executive Officer is responsible for implementing, monitoring, and interpreting this policy.

ASIA will ensure learners are aware of their right to a refund for services not provided by the institute if:

- The arrangement is terminated early; or
- ASIA fails to deliver agreed-upon services.

## 4. Definitions

**Tuition Fee:** The Tuition Fee is a compulsory academic fee payable by students for courses offered by the institute. It does not include course material fees or other applicable fees or cost.

**Tuition Protection Service (TPS):** The Tuition Protection Service is a protection scheme for international students whose provider cannot fully deliver a course for which the student has paid. The TPS ensures that international students are able to either:

- a. complete their studies in another course or with another education provider or

**Agreed Start Date/Course Commencement:** Agreed Start Date (Course Commencement) means the day on which the course was scheduled to start as per the student's Confirmation of Enrolment (CoE), or a later date agreed between student and the RTO (i.e. IIT in this case) for the start of the course.

**Course Material Fee:** A fee charged for the cost of providing course materials for theory and practical study, textbooks (if any), student guides and resource materials that are retained by the student as his/her personal property.

- failure to pay an amount that he/she is liable to pay to the provider,
- Student breached a condition of his/her student visa, or misbehavior by the student.

## 5. Requests for Refund of Tuition fees.

A student who wishes to apply for a refund of tuition fees in accordance with this Refund Policy should do so by completing a Refund Application form (Appendix 1) available at ASIA reception or on the ASIA's website at [www.asia.edu.au](http://www.asia.edu.au) and submit with other supporting documents to:

Administration Office

## 6. Fee Payment and Refund Policy

It is crucial that learners understand the institute's Fees Payment and Refund policies before signing any agreement.

### Payment of Fees (Application Fee, Course Material Fee and Tuition Fee)

- a. The initial tuition fee, application fee, and material fee, as stated in the offer letter, must be paid in full before the course commences to confirm enrolment.
- b. Students are not required to pay more than 50% of the total tuition fee before the course begins. ASIA will not accept more than 50% upfront unless the course duration is 25 weeks or less.
- c. While not required to pay more than the initial tuition fee (or 50% of the total tuition) before the course starts, students may choose to do so. Any pre-course payments will be reflected on the Confirmation of Enrolments.

**THE EARLY CHILDHOOD LEARNING COMPANY PTY LTD, T/A ASTRAL SKILLS INSTITUTE OF AUSTRALIA.**

- d. Remaining **fees (Course Material Fee and Tuition Fee)** can be paid through a payment plan. All students must understand and sign a fee agreement outlining instalment amounts and due dates. Due dates for payment of **fees (Course Material Fee and Tuition Fee)** are clearly appended in the offer letter/student agreement, which every student duly signs and returns to ASIA prior to their enrolment.
- e. Students must pay their full **fees (Course Material Fee and Tuition Fee)** for each term by the due date or as specified in their offer letter/agreement, unless an alternative payment plan is agreed upon with the institute.
- f. **All fees (Course Material Fee and Tuition Fee)** are payable to the Institute in Australian dollars via bank draft, telegraphic transfer, or other approved payment methods.
- g. Students must pay fees directly to ASIA and through ASIA approved agents.

### **Fee (Course Material Fee and Tuition Fee) Payment and Consequences of Non-Payment**

- a) If a student's fee (**Course Material Fee and Tuition Fee**) instalment is missed, a friendly email reminder and a first warning letter will be issued 7 working days after the due date. Initial reminders may also be communicated via phone or post.
- b) If payment is not received after the first warning letter, and no communication is established with the accounts department, a second warning letter will be issued after 7 working days. Students then have an additional 7 working days to make the payment or request an extension. Students can contact ASIA at 1 300 480 884 for further inquiries.
- c) Should outstanding payments for an agreed instalment (**comprising either Course Material Fee or Tuition Fee or both**) remains outstanding after the final notice and/or email, access restrictions will be imposed upon the student in question. These restrictions will entail the imposition of the following sanctions:
  - 1) Cessation of access to institutional resources, including the Learning Management System (LMS alias Moodle), physical classrooms, computer systems, and internet connectivity.
  - 2) Withdrawal of access to enrolment records, academic results, and official academic certificates.
  - 3) Prohibition from attending scheduled classes, which may consequently necessitate the repetition of missed coursework and academic units.
- d) Concurrently, a formal "Intention to Cancel Enrolment" notification will be dispatched to the student. The formal cancellation of enrolment will occur following a period of 20 (twenty) working days from the date of the aforementioned final notice.

Students have the right to appeal this decision (see the Complaints and Appeals policy on ASIA's website). During the appeal process (both internal and external), enrolment will remain active.

If a student chooses not to appeal and makes no further payment or contact regarding their debt, their enrolment may be cancelled, and the student reported to the Department of Home Affairs for non-payment of fees.

If a student chooses not to appeal and agrees to pay the outstanding fees, they must pay the full amount plus a late fee of \$50 per week.

Additional fees apply for reassessments:

- \$300 after two additional attempts.
- \$300 to repeat a subject.

Students enrolling in additional courses must pay separate tuition fees as specified for each course.

Tuition fees remain constant as long as a student remains enrolled in the same course. If a student transfers to a different course, the tuition fee for the new course will apply.

### **Agent's Intervention and/or Extenuating Circumstances**

Enrolment cancellation may be deferred for a period of up to two terms if a student's agent intervenes and assumes responsibility on the student's behalf. Furthermore, in the presence of any extenuating circumstances, the Chief Executive Officer retains the discretion to delay enrolment cancellation for a duration of up to two terms.

### **Important Notes on Fees and Refunds**

- a) Fee Changes: Fees are subject to change. Contact student administration for updated information.
- b) Visa Status Changes: Changes in visa status (e.g., becoming a temporary or permanent resident) do not affect tuition fees. Students will continue to pay full overseas student fees for the duration of their enrolled program.
- c) Fee Recovery: ASIA reserves the right to use third-party debt collection services. Associated costs will be charged to the student.
- d) Refund Applications: All refund applications should be submitted to the student administration department. Applications will be assessed according to the following procedures.
- e) Refund Processing: All refunds are approved by the Administration Officer and processed within 10 working days of application submission.

## **7. Refund Procedures**

**All student refunds are conditional and depend on the timing of the course withdrawal notice:**

- a) **12+ Weeks Before Start Date:** 100% refund of fees received (excluding the application fee) if written notice is received at least 12 full weeks before the agreed start date.
- b) **6-11 Weeks Before Start Date:** 50% refund of fees received (excluding the application fee) if written notice is received between 6 and 11 full weeks before the agreed start date.
- c) **5 or Fewer Weeks Before Start Date:** No refund if written notice is received within 5 full weeks or less before the agreed start date.
- d) **After Course Start Date:** No refund if written notice is received after the course start date.
- e) **Default/Withdrawal After Start Date:** Students are liable for the full tuition fee and no refund will be provided if they default or withdraw after the course/term start date.
- f) **enrolment Within No Refund Period:** No refund will be provided if enrolment occurs within the no-refund period (5 full weeks or less) before the agreed start date. For example, if a student enrols 5 weeks before the course start date, they are not eligible for a refund.
- g) **Refund Processing Time:** Approved refunds will be paid within 28 days (20 working days) of receiving the student's written notification/claim and signed forms. Refunds are contingent upon the institute receiving the funds (e.g., cleared checks, completed telegraphic transfers).

#### Clarification on Refund (Example)

The example provided clarifies the no-refund period: if a student enrols within 5 weeks of the course start date, they are ineligible for a refund.

**NB 1: Approved refunds are paid within 28 days (20 working days) after the institute receives the written notification/claim and signed forms.**

**NB 2: The institute must have received the funds before processing the refund (e.g., cleared checks, completed telegraphic transfers)**

## B. STUDENT DEFAULTS

An overseas student (or intending overseas student) defaults on a course if *they* initiate termination of enrolment under the following circumstances:

1. The student does not start the course on the agreed starting day (and has not previously withdrawn).
2. The student withdraws from the course after the agreed starting day.
3. The institute refuses to provide (or continue providing) the course due to one or more of the following:
  - o Non-payment of course fees.
  - o Breach of student visa conditions.
  - o Student misbehaviour (note: the student is entitled to due process).

A student is *not* considered in default if they fail to start a course on the agreed starting day because the *institute* is in default.

## C. VISA REFUSAL REFUNDS

**Initial Visa Refusal:** If a student's initial visa application or renewal is refused *before* their studies commence, tuition fees (less the application fee) will be refunded according to the legislative instrument under subsection 47E:

**Refund Calculation:** Total prepaid fees received by the institute, less the smaller of the following:

- 5% of the total prepaid fees received.
- \$500 (Administrative cost).

Students must provide the institute with evidence of the visa refusal.

**Visa Refusal After Studies Commence:** If a student's visa application is refused *after* their studies have commenced, the refund is calculated as follows:

**Refund Calculation:** Weekly tuition fee X number of weeks in the default period.

- **Weekly Tuition Fee:** (Total tuition fee for the course / number of calendar days in the course) X 7, rounded up to the nearest whole dollar.
- **Number of Weeks in Default Period:** Number of calendar days from the default day to the end of the payment period / 7.

**Visa Refusal After Studies Commence:** No refunds are granted if a student's visa is canceled by the Department of Home Affairs due to a breach of visa conditions.

## D. PROVIDER DEFAULT

If the institute cannot start or deliver the course (provider default), the student has two options:

1. **Refund:** Receive a full refund of course fees within 14 days.
2. **Alternative Course:** Be placed in an alternative course at the same institute or a different provider. This requires signing a new written agreement.

If the student chooses a refund, the institute will calculate the unspent portion of tuition fees and issue the refund within 14 days of course cessation.

If the institute cannot provide a refund *or* an alternative course, the Tuition Protection Service will offer suitable alternative courses (if available). If no alternatives exist, the TPS Director will calculate and provide a refund.
